SESSIONS

SPECIAL SENIOR SESSIONS | 150

Here's how we kick it off. First we start with a phone or in-person consultation to discuss you! We'll talk about outfits, accessories, props, location, and what you hope to get out of the shoot. The session, which lasts up to two hours, gives plenty of time for outfit changes and moving around. Your photos will then be professionally edited and presented in an online gallery. You'll even have a few tagged on Facebook to use on your profiles! Finally, we'll have an ordering session to get you just what you need to remember this time in your life.
